

Management's Statement of Responsibility for Financial Reporting

The management of George Weston Limited is responsible for the preparation, presentation and integrity of the accompanying consolidated financial statements, Management's Discussion and Analysis and all other information in the Annual Report. This responsibility includes the selection and consistent application of appropriate accounting principles and methods in addition to making the judgments and estimates necessary to prepare the consolidated financial statements in accordance with Canadian generally accepted accounting principles. It also includes ensuring that the financial information presented elsewhere in the Annual Report is consistent with that in the consolidated financial statements.

To provide reasonable assurance that assets are safeguarded and that relevant and reliable financial information is produced, management is required to design a system of internal controls and certify as to the design effectiveness of internal controls over financial reporting. Internal auditors, who are employees of the Company, review and evaluate internal controls on management's behalf. KPMG LLP, whose report follows, were appointed as independent auditors by a vote of the Company's shareholders to audit the consolidated financial statements.

The Board of Directors, acting through an Audit Committee comprised solely of directors who are independent of the Company, is responsible for determining that management fulfills its responsibilities in the preparation of the consolidated financial statements and the financial control of operations. The Audit Committee recommends the independent auditors for appointment by the shareholders. The Audit Committee meets regularly with senior and financial management, internal auditors and the independent auditors to discuss internal controls, auditing activities and financial reporting matters. The independent auditors and internal auditors have unrestricted access to the Audit Committee. These consolidated financial statements and Management's Discussion and Analysis have been approved by the Board of Directors for inclusion in the Annual Report based on the review and recommendation of the Audit Committee.
