- identifying candidates qualified for election or appointment to the Company’s Board of Directors (“Board”);
- determining the number of directors and composition for each of the committees of the Board;
- assisting in educating directors and assessing their performance on an ongoing basis;
- developing the Company’s approach to corporate governance and recommending to the Board corporate governance principles to be followed by the Company;
- discharging the Board’s responsibilities relating to total compensation of senior executives, including reviewing for approval to the Board the adoption of, or any material change in, any of the Company’s executive compensation plans;
- overseeing the Company’s pension and benefits program;
- overseeing the Company’s succession planning for senior executives;
- reporting to the shareholders on executive compensation; and
- performing the additional duties set out in this Mandate or otherwise delegated to the Committee by the Board.

2. MEMBERS

The Board must appoint a minimum of three directors to be members of the Committee. The majority of the members of the Committee shall be independent.

For the purpose of this Mandate, a director is “independent” if they would be independent within the meaning of the applicable Canadian securities laws, as the same may be amended from time to time.

3. CHAIR

Each year, the Board shall appoint one member to be Chair of the Committee who shall be an independent director. If, in any year, the Board does not appoint a Chair, the incumbent Chair shall continue in office until a successor is appointed. In accordance with the mandate of the Board, the Chair of the Committee shall act as Lead Director. The Board has adopted and approved a position description for the Chair which sets out their role and responsibilities.

4. TENURE

Each member shall hold office until their term as a member of the Committee expires or is terminated.

5. QUORUM, REMOVAL AND VACANCIES

A majority of the Committee's members shall constitute a quorum. Any member may be removed and replaced at any time by the Board. The Board shall fill vacancies in the Committee by appointment from among the members of the Board. If a vacancy exists on the Committee, the remaining members shall exercise all powers so long as a quorum remains in office.

6. DUTIES

The Committee will have the duties set out below as well as any other duties that are specifically delegated to the Committee by the Board.

(a) Board Succession Plan

The Committee shall develop and maintain as required a Board succession plan.

The Committee will consider resignations received pursuant to the Company's majority voting policy and make recommendations to the Board on whether or not such resignations should be accepted.

(b) Establish and Assess Director Qualifications and Independence

The Committee shall establish the qualification standards for directors relating to, among other things, the competencies, skills and personal qualities that should be sought in candidates for Board membership, having in mind the skills and competencies the Board as a whole should possess. The Committee shall also annually assess the competencies and skills of the Board.

The Committee shall conduct an annual assessment of the independence of each director with reference to the applicable Canadian corporate governance guidelines and securities law.

(c) Identify Candidates for Nomination as a Director

The Committee shall develop and recommend to the Board from time to time a list of candidates for Board election or appointment with a view to enhancing the independence and quality of nominees to be elected by the shareholders at the annual general meeting of shareholders, and with consideration to diversity of views, experiences, skill sets, gender, age, ethnicity, and geographic background, and to the Board's aspiration to reflect the diverse and changing demographics of the markets in which the Company operates, in accordance with the Company's Board Diversity Policy. The Committee should determine if each such candidate would be an independent director within the meaning of the relevant securities rules.

The Chair of the Committee, with the assistance of the Chairman of the Board and one or more other directors appointed by the Board, should approach candidates for Board membership, to:

- explore the candidates' interest in joining the Board and seek their consent to act as a director;
- assess the candidates' skills and competencies; and
- confirm that interested candidates understand the role of a director and the contribution a director is expected to make to the Board, including the commitment of time and energy that the Company expects of its directors.

The Committee shall from time to time consider the appropriate size of the Board with a view to facilitating proper decision-making.

(d) Review of Annual Director Voting Results

The Committee will review and consider the voting results for each individual nominee director following the annual general meeting of shareholders. The Committee will consider any resignation submissions resulting from the voting at the annual general meeting of shareholders.

Where a vacancy occurs at any time in the membership of any committee of the Board, the Committee will recommend to the Board a director to fill such vacancy.

(g) Performance Assessment of the Board, Board Committees and Individual Directors

The Committee will review on an annual basis the effectiveness and performance of the Board, and all committees of the Board.

The Committee will evaluate directors on an ongoing basis to assess their suitability for re-election.
